- (a) FYE 2017 operating loss of \$147.9 million reflects: (i) \$122.0 million in stock-based compensation expense related primarily to: (A) a modification charge arising from the conversion of vested HomeAdvisor equity awards into ANGI Homeservices equity awards in connection with the completion of the combination of HomeAdvisor and Angie's List on September 29, 2017 (the "Combination") and (B) expense related to the acceleration of converted ANGI Homeservices equity awards held by Angie's List employees upon the termination of their employment in connection with the Combination and (ii) \$48.0 million in costs related to the Combination (including \$7.6 million of deferred revenue write-offs).
- (b) Q1 2018, Q2 2018, Q3 2018 and Q4 2018 operating (loss) income of \$(10.8) million, \$23.3 million, \$33.5 million and \$17.9 million, respectively, includes \$19.1 million, \$16.7 million, \$16.0 million and \$18.8 million, respectively, in stock-based compensation expense related primarily to: (i) a modification charge related to previously issued and unvested HomeAdvisor equity awards and the expense related to the conversion of previously issued and unvested Angie's List equity awards, both in connection with the Combination, and (ii) expense related to the acceleration of converted ANGI Homeservices equity awards held by Angie's List employees upon the termination of their employment in connection with the Combination, as well as \$5.3 million, \$2.6 million, \$1.0 million and \$0.1 million, respectively, in costs related to the Combination (including \$2.8 million, \$1.8 million, \$0.7 million and \$0.1 million, respectively, of deferred revenue write-offs).
- (c) Operating (loss) income and Adjusted EBITDA FYE 2017 will not agree to the IAC financial segment information on a standalone basis due to a \$1.3 million accrual that was recorded retrospectively in Q3 2016 as the standalone HomeAdvisor combined financial statements were prepared. This accrual was recorded in IAC's consolidated financial statements in Q2 2017.
- (d) Q3 2018 and Q4 2018 operating income of \$33.5 million and \$17.9 million, respectively, includes \$1.3 million and \$2.4 million, respectively, in transaction-related items (including \$0.4 million of deferred revenue write-offs in Q4 2018) in connection with the acquisition of Handy on October 19, 2018. Q4 2018 was further impacted by \$1.9 million in stock-based compensation expense.
- (e) Adjusted Earnings Before Interest, Taxes, Depreciation and Amortization ("Adjusted EBITDA") is defined as operating income excluding: (1) stock-based compensation expense; (2) depreciation; and (3) acquisition-related items consisting of amortization of intangible assets and impairments of goodwill and intangible assets, if applicable. We believe this measure is useful for analysts and investors as this measure allows a more meaningful comparison between our performance and that of our competitors. The above items are excluded from our Adjusted EBITDA measure because these items are non-cash in nature. Adjusted EBITDA has certain limitations because it excludes the impact of these expenses.
- (f) Quarterly per share amounts may not add to the related annual per share amount due to differences in the average common shares outstanding during each period.
